Assisting in

I It was this which induced him to hur-It was this which induced him to hurry the trial in the hope that some cyldence would turn up whereby the accured might clear himself, and there
was none more pleased when, two days
before the trial, it was discovered that
rate had stolen the package and asd
made a nest of the crisp paper.
Gertrude discovered the nest in a
granny under the cashier's desk. She

cranny under the cashier's desk. She communicated her "find" to her father, who was also president of the bank.

It made an insignificant little mass guilty at ail. For generations the this expensive neet, but while the mariexted particles were too small to be deemed by the Treasury department, was plain to be seen that the next was compored of bits. The next was duly brought forward at the trial and was

Special to acquit.

Chester was the only one dissatisfied with the acquittal, and that evening be called at the Hollis home. Gertrude met him with an apology for her father.

she declared. "It was in the little cub-by-hole under your desk."

"Whatever made you look there?" he asked curiously.
"I supposed that I had a right to feel curious "she said defiantly. "It was not father shank and I had heard of how this incarperation was a shock community." I thought I would look around for the construction it is better so. He turned slowly to the door, to be jostled violently by bills were gtolen by rats at various Jack Holls.

The run all the way from the bank."

"They let you keep it, did they

She flushed, but the crossed to a writ-ing desk and drew from it a small, al-most shapeless mass, on the outside of which were tiny particles, barely large enough for the "C" or "100" to be dis-linguished. Chet looked at it curiously, it was all that had stood between him

to deciare herself opening a part of the things and prison.

"Lo you know," he said softly, "that nt. Judge Hollis was a believer this looks more as though it had beer
